

REMARKS

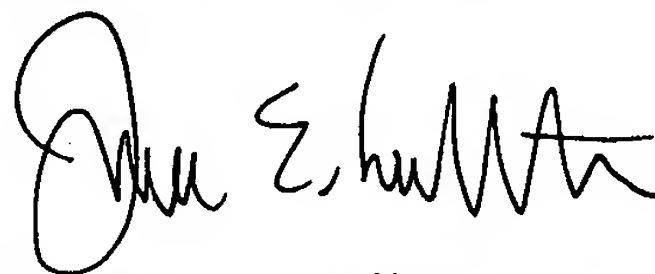

Reconsideration and allowance of this application are respectfully requested in light of the above amendments and the following remarks.

In a telephone interview on April 10, 2006, the examiner confirmed that claim 60 is allowable and that claim 60 should not have been included in the list of rejected claims in section 6 of the office action.

Allowable claims 60, 67, 75 and 82 indicated as allowable in section 11 of the office action, are hereby rewritten in independent form and thus should be allowed. All other claims are now canceled; the Applicants presently intend to file a continuing application to the presently canceled claims.

A Notice of Allowance is respectfully requested.

Respectfully submitted,
